

Mt. St. Peter Church
St. Anthony Guild
Tree of Angels

October 1, 2008

Dear Friends:

The **St. Anthony Guild** would like to again thank the generosity of our parishioners for your continued participation and contribution to our annual Christmas Project - ***The St. Anthony Guild Tree of Angels***. Last year's campaign was highly successful due to your contributions which totaled \$10,792.00. Your contributions allowed us to help 105 children and 32 families enrich their holiday.

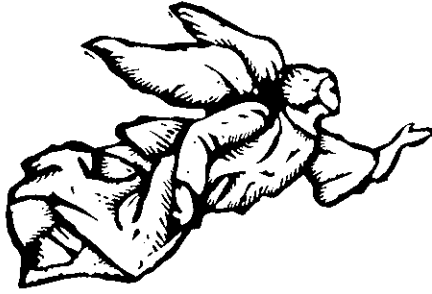

We again need your contributions to minister to the needy families of our parish and community. As in previous years, all donors will have their names, or the name of a loved one, placed on a special list which will be located in the church the first Sunday of Advent, November 3, 2008. Your gifts will be viewed in two levels, up-to and including \$50.00 will be recognized at the ***Cherubim*** level and gifts of over \$50.00 will be listed at the ***Seraphim*** level.

We ask for your support this Christmas season to continue providing gifts in the way of clothing, toys and food to many needy children and families in the ***Mt. St. Peter Church*** community. In the words of St. Anthony, "Actions speak louder than words; let your words teach and your actions speak." His love for those with less showed that through compassion and contributions we can continue his works of generosity.

If you know of children and families from our parish that need our charity, please forward that information to the "St. Anthony Guild" through the church office. Through ***your*** contributions we will strive to continue our successful works of charity. Look for a report on your contributions in the bulletin.

Gratefully,

*THE ST. ANTHONY GUILD
Of MT. ST. PETER CHURCH*
